

SUPER FROZEN ESCOLAR

Item Name: Super Frozen Escolar

INTRODUCTION

Escolar, also known as Snake Mackerel or Waloo, is a dark fast swimming fish that can not metabolize wax esters found in its diet. Due to the high oil content, discolouration may happen over time. But with the super frozen technology, the blood is drained as soon as the fish is caught, and placed in our -60 super freezer while it's still on our ship. This will ensure the colour of the fish to stay white as well as maintaining the texture of the fish for a longer period of time.

- Origin: Taiwan
- Wild Caught
- No Chemical Treated
- 22LB or 27LB / Case
- HACCP / FDA Certified
