IKURA

Item Name: Ikura

INTRODUCTION

Ikura, also known as salmon roe, are round and almost transparent salmon eggs that's popular and used frequently in Japanese cuisine.

Our Ikura is seasoned and ready to eat. It is Shoyu flavored and mildly sweet. This is a great product for customers who wants to use higher end ingredients but does not have the time to wash and marinate the Ikura.

- Product of Japan
- 10 / 500g / Case
- Seasoned (Shoyu)
- HACCP / FDA Certified
